

## GRANN Updates

### *Website in Progress!*

Exciting news! We're working on creating a website to house all of GRANN's resources in one accessible place. This will be a hub for information, support, and community connections.

We'd love your input! What features or resources would you like to see on the site? Let us know your ideas so we can make it as helpful as possible.

Send your suggestions to [enquiries.grann@gmail.com](mailto:enquiries.grann@gmail.com) or hit us up on [Messenger](#) - we can't wait to hear from you!
