

What We Do

GRANN works across community, systems, and culture to:

- Reduce isolation through peer connection and shared spaces
- Advocate for disability rights, justice, and systemic reform
- Create inclusive, accessible programs and community initiatives
- Support leadership, self-advocacy, and lived-experience expertise
- Build partnerships that improve access to work, education, health, and community life

All GRANN activities exist for the public benefit.

GRANN Social Enterprise

Ethical & alternative pathways

GRANN's Social Enterprise creates paid, flexible, neuro-affirming income opportunities for Autistic and Neurodivergent people who are often excluded from traditional work.

This includes:

- Handmade goods and creative products
 - Digital resources and tools
- Lived-experience consulting and services
- Workshops, talks, and events

Contributors apply separately from membership and work under independent agreements.

Membership

Membership is about belonging, voice, and shared direction.

We offer:

- General Membership (free)
- Paid Membership (one-time contribution)

Members help shape GRANN's future, stay connected, and participate in community life.

Paid members are eligible for governance and voting rights. Membership is not employment and does not require volunteering.

Membership supports GRANN's charitable purpose.

The Gladstone Region Autistic & Neurodivergent Network Inc. (GRANN) is

a neuro-affirming, community-led association working to dismantle exclusion, challenge neuronormativity, and build futures shaped by Autistic and Neurodivergent people ourselves.

GRANN exists to:

- Build connection and belonging
- Advocate for disability rights and systemic change
- Create accessible, affirming opportunities
- Support wellbeing and community sustainability

We centre lived experience and collective care.
